

SUPERINTENDENT HIRING AUTHORITY

The Superintendent is hereby designated as the agent of the Board to employ, appoint, assign, promote, transfer and terminate all school personnel employed in positions other than principal and teacher positions, whose employment is governed by state statute. The Superintendent's hiring authority is also subject to any other applicable policies of the board and any applicable provisions of collective bargaining agreements. Such actions are to be reported to the Board on a regular basis.

For the purposes of this policy, school personnel include all athletic coaches and staff employed in non-athletic extra-curricular positions.
