

RSU 23 SAFETY COMMITTEE MISSION STATEMENT

The RSU 23 Board recognizes that an organized Safety Committee and loss control program are important to our operational and administrative systems. It is our obligation to ensure the safest possible work place for our employees and to protect RSU 23's physical assets from damage or loss.

It is the intent that RSU 23 will undertake initiatives to maintain safe and healthful working conditions and facilities, develop safe operating procedures, and utilize its personnel resources to achieve a loss free environment for our employees and the public. RSU 23 will make all reasonable efforts to comply with all government regulations pertaining to safety and health issues.

The oversight of the safety program is done by the RSU 23 Safety Committee which is made up of the following positions: Director of Operations, Human Resources Officer, Director of Maintenance, Director of Transportation, Director of School Nutrition, a Building Administrator, a Building Teacher, a School Nurse, and a community member (as required for certain situations). It is the responsibility of each employee of RSU 23 to follow safety rules and procedures and to cooperate with and support the safety program's objectives and trainings.

The RSU 23 safety program and Mission Statement will be reviewed and updated as deemed necessary to meet the goal of maintaining a safe and healthful work environment.
