

**EMERGENCY CIVIL DEFENSE PLAN**

- A. The Superintendent shall close school at his/her discretion based on the best information available to him/her.
- B. The Superintendent may either send children home or keep them at school at his/her discretion following the warning from Civil Defense.
- C. The Superintendent shall make such changes in the assignment of personnel as may be necessary.
- D. The Superintendent shall arrange for buses to move and take children home according to the regular afternoon home schedule in case of a decision to send children home early.
- E. The Superintendent or his/her designee is authorized to make any other changes in the regular program that may be necessary to carry out any plans in case of an emergency.
