

CHARGING SCHOOL MEALS

The Saco School Board will allow students to charge up to three meals. Failure to pay after three meals shall result in loss of charging privileges until such time as payment is received. Parent(s)/guardian(s) shall be notified of existing charges and be requested to render payment. At the discretion of the kitchen manager, a substitute meal may be provided for students in extenuating circumstances.

This policy is to be published annually in the Student Handbook.
